What's an online conference?

iLactation's online conference is as simple as watching an online video on your computer, phone or other device with an internet connection. Our speakers have made special video presentations for iLactation on their chosen topics.

Presentations can be viewed by registered participants at www.iLactation.com after the conference begins on March 4, 2020.

Affordable Continuing Education Points
– CERPs, CMEs, CNEs & other CPD points

Convenient – view presentations on any computer, tablet or other device at any time that suits you!

Enjoyable – listen to all the presentations as many times as you like. Interact with other participants on social media (Facebook and Twitter).

Economical – no flights or accommodation required for the conference
